| EEE | |
| **CBSE** | 2018-2019 |
| zilla parishath high school,owk | 80% |

## SKILLS

**programming Languages:-**core java
**Technologies:-**HTML,CSS,MySQL

## PROJECTS

### Portfolio Website

Developed a personal portfolio website using HTML and CSS to showcase my skills, projects, and contact information. Designed a fully responsive layout for an optimal user experience across all devices. Implemented well-structured sections, including about me, projects, and contact, with smooth navigation and clean design. Utilized modern CSS techniques to enhance visual appeal and readability. This project highlights my ability to create professional, responsive, and user-friendly web pages.

### Food Munch Website

Developed a responsive food ordering website using HTML and CSS to provide a seamless user experience. Designed a structured layout with sections for home, menu, about, and contact, ensuring easy navigation. Implemented modern CSS techniques to enhance visual appeal and readability. Optimized the website for fast loading speeds and cross-browser compatibility. Ensured a mobile-friendly design to improve accessibility across different devices. This project demonstrates my ability to create professional, responsive, and user-friendly web pages with a focus on performance and usability

## DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge.
